

Merton Court Prep School, Sidcup, Kent

Refurbishment of their existing office plus a new classroom, complete with New Shaped Desks and special designed storage area which covered an existing fire place, Whiteboard doors and folding benches. Project value £ 36,000.00

“We have been working with Henry Booth now for approximately 4 years. Our contact is Martin Money who has always been very efficient and professional with us.

Martin is extremely helpful at the design stage and will regularly meet with us during large projects to ensure a smooth finish. They are also good adapting when things change halfway through.

We would highly recommend this company to anyone who is looking for a professional job with a finish you can be proud of.”

Mrs Angie Macdonald – Business Manager, Merton Court Prep School
